

our standard finishes

We offer a comprehensive range of sophisticated finishes to satisfy your needs and preferences...

We are proud to introduce 20 new finishes, including new bronzes, golds and wood tones. Our sample chip design shows both smooth and detailed surfaces, indicating how the finish will look on your selected product.

- ◀ For your convenience, you can unfold this cover to view all of our standard finishes as you browse our product catalog.

our process

Customization has been our custom since we began...

All products are hand painted after we receive your order. The entire order is painted together to ensure a consistent finish. The nature of hand finishing causes some acceptable variation in finish, as each order is truly one-of-a-kind.
